

INTRODUCTION TO INTERNATIONAL FOOTBALL SCOUTING

Course Number: IIFS01en

Course Duration: 15 hours (3 Saturdays) + 3 months of practice (10 hours per week)

Location: online

Email Address: academy@vagency.hu

Prerequisites: High school diploma; English language proficiency

Price: 299 EUR

Course Description:

Our football training is an introductory course for applicants with little or no experience. During the three theoretical weekends, participants will become familiar with the basic concepts, rules, and key methods expected by clubs and player agencies, which they will later apply in practice with one of our professional partners. The course also features lectures by recognized guest speakers from the industry.

Learning Outcomes:

By the end of the course, the student:

1. Understands the technical terms used in football scouting, the basic rules and regulations of the profession, and the most common applications used in the field.
2. Can independently create scout reports on players and coaches.
3. Can independently analyze football matches.
